in Asia

Dearly loved Co-worker,

The Universal House of Justice has considered the proposal of 17 January 2008 made in the enclosed communication by Counsellors Fadel Ardakani, Amina Jaouane, and Mehranguiz Farid Tehrani and approves that the audio, video, and printed materials held by the Office of Persian and Arab Affairs in London be put at the disposal of the National Spiritual Assembly of the United Arab Emirates. We would appreciate your seeing that this action is carried out and completed. The determination as to what materials may be sold or otherwise distributed is also left to the National Assembly's discretion.

With loving Bahá'í greetings,

The International Teaching Centre
